**PROXY STATEMENT
FOR THE 2015 ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON JUNE 8, 2015**

QUESTIONS AND ANSWERS ABOUT THESE PROXY MATERIALS AND VOTING

Why am I receiving these materials?

We have sent you these proxy materials because the Board of Directors (the “*Board*”) of Capricor Therapeutics, Inc. (sometimes referred to as “*we*”, “*us*”, “*Capricor*” or the “*Company*”) is soliciting your proxy to vote at the 2015 Annual Meeting of Stockholders (the “*Annual Meeting*”), including at any adjournments or postponements of the Annual Meeting. You are invited to attend the Annual Meeting to vote on the proposals described in this proxy statement.

We intend to mail the proxy solicitation materials, combined with the Annual Report on Form 10-K for our fiscal year ended December 31, 2014, including financial statements, to stockholders on or about May 20, 2015. The information on our web site is not part of this proxy statement.

How do I attend the Annual Meeting?

The Annual Meeting will be held on June 8, 2015 at 10:00 a.m. PDT at our principal executive offices located at 8840 Wilshire Blvd. 2nd Floor, Beverly Hills, California 90211. Information on how to vote in person at the Annual Meeting is discussed below.

Who can vote at the Annual Meeting?

Only stockholders of record at the close of business on May 12, 2015 (the “*Record Date*”) will be entitled to vote at the Annual Meeting. On the Record Date, there were 16,223,281 shares of our common stock outstanding and entitled to vote.

Stockholder of Record: Shares Registered in Your Name

If at the close of business on the Record Date, your shares were registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, LLC, then you are a stockholder of record. As a stockholder of record, you may vote in person at the Annual Meeting or vote by proxy. Whether or not you plan to attend the Annual Meeting, we urge you to vote by proxy as instructed below to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker, Bank or Other Agent

If at the close of business on the Record Date your shares were held, not in your name, but rather in an account at a brokerage firm, bank, dealer or other similar organization, then you are the beneficial owner of shares held in “street name” and the Notice is being forwarded to you by that organization. The organization holding your account is considered to be the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker, bank or other agent regarding how to vote the shares in your account. You are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the Annual Meeting unless you request and obtain a valid proxy from your broker, bank or other agent.

What am I voting on?

There are two (2) matters scheduled for a vote:

1. Election of nine (9) nominees to the Board; and
2. Ratification of the Audit Committee's selection of Rose, Snyder & Jacobs LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2015.

What if another matter is properly brought before the Annual Meeting?

The Board knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the Annual Meeting, it is the intention of the persons named in the accompanying proxy to vote on those matters in accordance with their best judgment.

What is the Capricor Board's voting recommendation?

The Capricor Board recommends that you vote your shares:

- "For" the election of all nine (9) nominees to the Board; and
- "For" the ratification of the Audit Committee's selection of Rose, Snyder & Jacobs LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2015.

How do I vote?

With respect to the election of directors, you may either vote "For" all the nominees to the Board or you may "Withhold" your vote for any nominee you specify. For the ratification of the Audit Committee's selection of Rose, Snyder & Jacobs LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2015, you may vote "For" or "Against" or abstain from voting. The procedures for voting are fairly simple and depend upon whether your shares are registered in your name or are held by a bank, broker or other agent. If you are a stockholder of record, you may vote in person at the Annual Meeting or vote by proxy. Whether or not you plan to attend the Annual Meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the Annual Meeting and vote in person even if you have already voted by proxy.

- To vote in person, come to the Annual Meeting and we will give you a ballot when you arrive.
- To vote using the proxy card, simply complete, sign and date the proxy card and return it promptly in the envelope provided. If you return your signed proxy card to us before the Annual Meeting, we will vote your shares as you direct.

Beneficial Owner: Shares Registered in the Name of Broker, Bank or Other Agent

If you are a beneficial owner of shares registered in the name of your broker, bank or other agent, you should have received a notice containing voting instructions from that organization rather than from us. Simply follow the voting instructions in the notice to ensure that your vote is counted. To vote in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank or other agent. Follow the instructions from your broker, bank or other agent included with these proxy materials, or contact your broker, bank or other agent to request a proxy form.

How many votes do I have?

On each matter to be voted upon, you have one (1) vote for each share of common stock you own as of the close of business on May 12, 2015, the Record Date.

What if I return a proxy card or otherwise vote but do not make specific choices?

If you return a signed and dated proxy card without marking any voting selections, your shares will be voted in accordance with the recommendations of the Board.

Who is paying for this proxy solicitation?

We will pay for the entire cost of soliciting proxies. In addition to these proxy materials, our directors and employees may also solicit proxies in person, by mail, by telephone or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

What does it mean if I receive more than one Notice?

If you receive more than one Notice, your shares may be registered in more than one name or in different accounts. Please follow the voting instructions on each Notice to ensure that all of your shares are voted.

Can I change my vote after submitting my proxy?

Yes. You can revoke your proxy at any time before the final vote at the Annual Meeting. If you are the record holder of your shares, you may revoke your proxy in any one of the following ways:

- You may submit another properly completed proxy card with a later date.
- You may send a timely written notice that you are revoking your proxy to our Corporate Secretary at 8840 Wilshire Blvd. 2^d Floor, Beverly Hills, California 90211.
- You may attend the Annual Meeting and vote in person. Simply attending the Annual Meeting will not, by itself, revoke your proxy.

Your most current proxy card is the one that is counted.

If your shares are held by your broker, bank or other agent, you should follow the instructions provided by your broker, bank or other agent.

How are votes counted?

Votes will be counted by the inspector of election appointed for the Annual Meeting, who will separately count, for the election of directors, “For,” “Withhold” and broker non-votes; and, with respect to the ratification of the Audit Committee’s selection of Rose, Snyder & Jacobs LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2015, votes “For” and “Against,” abstentions and broker non-votes. Abstentions and broker non-votes have no effect and will not be counted towards the vote total for any proposal.

What are “broker non-votes”?

Broker non-votes occur when a beneficial owner of shares held in “street name” does not give instructions to the broker, bank or other agent holding the shares as to how to vote on matters deemed “non-routine”. Generally, if shares are held in street name, the beneficial owner of the shares is entitled to give voting instructions to the broker, bank or other agent holding the shares. If the beneficial owner does not provide voting instructions, the broker, bank or other agent can still vote the shares with respect to matters that are considered to be “routine,” but not with respect to “non-routine” matters. Under the rules and interpretations of the New York Stock Exchange, which generally apply to all brokers, banks or other nominees, “non-routine” matters are matters that may substantially affect the rights or privileges of stockholders, such as mergers, stockholder proposals, elections of directors (even if not contested), amendments to equity plans, and executive compensation, including advisory stockholder votes on executive compensation and on the frequency of stockholder votes on executive compensation. The ratification of the selection of the independent registered public accounting firm is generally considered to be “routine” and brokers, banks or other nominees generally have discretionary voting power with respect to such proposals. Broker non-votes will be counted for the purpose of determining whether a quorum is present at the Annual Meeting.

How many votes are needed to approve each proposal?

- Directors are elected by a “plurality” of the votes of the shares present in person or represented by proxy at the Annual Meeting and entitled to vote for directors. Therefore, for the election of directors, the nine (9) nominees receiving the most “For” votes (from the holders of the votes of the shares present in person or represented by proxy and entitled to vote for directors) will be elected. Only votes “For” or “Withheld” will affect the outcome.
- To be approved, Proposal 2, the ratification of the Audit Committee’s selection of Rose, Snyder & Jacobs LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2015, must receive more votes “For” the proposal than votes “Against” the proposal. Abstentions and broker non-votes will have no effect.

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if stockholders holding at least a majority of the voting power of the outstanding shares entitled to vote are present at the Annual Meeting in person or represented by proxy. On the Record Date, there were 16,223,281 shares outstanding and entitled to vote. Thus, the holders of 8,111,641 shares must be present in person or represented by proxy at the Annual Meeting to have a quorum.

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other agent) or if you vote in person at the Annual Meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, the holders of a majority of shares present at the Annual Meeting in person or represented by proxy may adjourn the Annual Meeting to another date.

How can I find out the results of the voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. In addition, final voting results will be published in a Current Report on Form 8-K that we expect to file with the Securities and Exchange Commission (the “SEC”) within four (4) business days after the Annual Meeting. If final voting results are not available to us in time to file a Form 8-K with the SEC within four (4) business days after the Annual Meeting, we intend to file a Form 8-K to publish preliminary results and, within four (4) business days after the final results are known to us, file an additional Form 8-K to publish the final results.

I also have received a copy of the Company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2014. Is that a part of the proxy materials?

Our Annual Report on Form 10-K for the fiscal year ended December 31, 2014, as filed with the SEC on March 16, 2015, accompanies this proxy statement. This document constitutes our Annual Report to Stockholders, and is being made available to all stockholders entitled to receive notice of and to vote at the Annual Meeting. Except as otherwise stated, the Annual Report on Form 10-K is not incorporated into this proxy statement and should not be considered proxy solicitation material.

When are stockholder proposals due for next year's annual meeting?

We expect to hold our 2016 Annual Meeting of Stockholders on or about May 25, 2016. Stockholders may submit proposals on matters appropriate for stockholder action at the 2016 Annual Meeting of Stockholders consistent with Rule 14a-8 promulgated under the Securities Exchange Act of 1934, as amended. To be considered for inclusion in proxy materials for our 2016 Annual Meeting of Stockholders, a stockholder proposal must be submitted in writing no later than January 20, 2016 to our Corporate Secretary at 8840 Wilshire Blvd. 2nd Floor, Beverly Hills, California 90211. If you would like to submit a matter for consideration at our 2016 Annual Meeting of Stockholders (including any stockholder proposal not submitted under Rule 14a-8 or any director nomination) that will not be included in the proxy statement for that annual meeting, it must be received by our Corporate Secretary a reasonable period of time prior to the 2016 Annual Meeting of Stockholders. Please review our bylaws, which contain requirements regarding advance notice of stockholder proposals. You may view our bylaws by visiting the SEC's Internet website at www.sec.gov.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" EACH NAMED NOMINEE.

Information Regarding the Board of Directors and Corporate Governance

Independence of the Board of Directors

Pursuant to the independence rules of The Nasdaq Stock Market LLC (“*Nasdaq*”), a majority of the members of a listed company’s board of directors must qualify as “independent,” as affirmatively determined by the board of directors. The Board consults with our counsel to ensure that the Board’s determinations are consistent with relevant securities and other laws and regulations regarding the definition of “independent,” including those set forth in pertinent listing standards of Nasdaq, as in effect from time to time.

Consistent with these considerations, after review of all relevant identified transactions or relationships between each director, or any of his or her family members, and us, our senior management and our independent auditors, the Board has affirmatively determined that the following seven directors are independent directors within the meaning of the applicable Nasdaq listing standards: Dr. Frank Litvack, Mr. Gregory Schafer, Mr. Earl Collier, Jr., Mr. David Musket, Mr. Louis Manzo, Mr. Louis Grasmick and Mr. George Dunbar. In making this determination, the Board found that none of these directors had a material or other disqualifying relationship with us. In addition to transactions required to be disclosed under Securities and Exchange Commission (“*SEC*”) rules, the Board considered certain other relationships in making its independence determinations, and determined in each case that such other relationships did not impair the director’s ability to exercise independent judgment on our behalf.

Dr. Linda Marbán, our President and Chief Executive Officer, is not an independent director by virtue of her employment with us, and Mr. Joshua Kazam is not an independent director due to his previous relationship, and that of his consulting firm Two River Consulting, LLC, with us.

Board Leadership Structure

The Board has determined that having an independent director serve as Executive Chairman of the Board is in the best interests of our stockholders at this time, and that separation of the positions of Executive Chairman of the Board and Chief Executive Officer reinforces the independence of the Board in its oversight of our business and affairs. The structure ensures a greater role for the independent directors in the oversight of us and active participation of the independent directors in setting agendas and establishing priorities and procedures for the work of the Board.

Role of the Board in Risk Oversight

We face a variety of risks, including liquidity and operational risks. The Board and each of its committees are involved in overseeing risk associated with us. The Audit Committee reviews and discusses with management and the independent registered public accounting firm our guidelines and policies with respect to risk assessment and risk management, including our major financial risk exposures and the steps taken by management to monitor and control such exposures. The Audit Committee determines and approves, prior to commencement of the audit engagement, the scope and plan for the internal audit and confers with management and the independent registered public accounting firm regarding the scope, adequacy and effectiveness of internal control over financial reporting, including any special audit steps taken in the event of a material control deficiency. The Audit Committee also reviews with management and the independent registered public accounting firm any fraud, whether or not material, that includes management or other employees who have a significant role in our internal control over financial reporting and any significant changes in internal controls or other factors that could significantly affect internal controls, including any corrective actions in regard to significant deficiencies or material weaknesses. Furthermore, the Audit Committee establishes procedures for the receipt, retention and treatment of complaints that we receive regarding accounting, internal accounting controls or auditing matters and the confidential and anonymous submission by our employees of concerns regarding questionable accounting or auditing matters.

It is the role of the Nominating and Corporate Governance Committee to review, discuss and assess, along with input from senior management, the performance of the Board and the committees of the Board at least annually. The Nominating and Corporate Governance Committee is responsible for developing and making recommendations to the Board for approval, and periodically reviewing with our Chief Executive Officer, the plans for succession to the offices of our Chief Executive Officer and other executive officers and the selection of appropriate individuals to succeed to executive positions.

It is the role of the Compensation Committee to review, at least annually, our compensation philosophy and to review and approve (or, if it deems appropriate, recommend to the Board for determination and approval) the compensation of our executive officers, senior management and non-employee directors, taking into consideration the individual's success in achieving his or her individual performance goals and objectives and the corporate performance goals and objectives deemed relevant to him or her, as established by the Compensation Committee, in addition to other factors. The Compensation Committee reviews and recommends to the Board for approval the frequency with which we conduct say-on-pay votes, taking into account the results of the most recent stockholder advisory vote on the frequency of such say-on-pay votes, and reviews and approves the proposals regarding the say-on-pay vote and the frequency of the say-on-pay vote to be included in each of our annual meeting proxy statements, as applicable. It is also the role of the Compensation Committee to review, at least annually, our incentive compensation arrangements to determine whether they encourage excessive risk-taking, reviews and discuss the relationship between our risk management policies and practices and compensation, and evaluate compensation policies and practices that could mitigate such risk.

Meetings of the Board of Directors

During the last fiscal year, the Board met five (5) times and took action by unanimous written consent four (4) times. All directors attended at least 75% of the aggregate number of meetings of the Board and of the committees on which they served that were held during the portion of the last fiscal year for which they were directors or committee members, respectively.

It is our policy to invite directors and nominees for director to attend the Annual Meeting either in person or by telephone. Each of Dr. Marbán and Dr. Litvack attended the 2014 Annual Meeting of Stockholders.

Executive Sessions

As required under applicable Nasdaq listing standards, our independent directors will periodically meet in executive session at which only they are present.

Nominating and Corporate Governance Committee

The current members of our Nominating and Corporate Governance Committee are Mr. Earl Collier, Mr. Gregory Schafer and Mr. Louis Manzo. Mr. Collier was elected Chairperson of the Nominating and Corporate Governance Committee in April 2015. The Board has determined that all members of the Nominating and Corporate Governance Committee are “independent” within the meaning of the applicable listing standards of the Nasdaq Stock Market. The Nominating and Corporate Governance Committee has adopted a written charter that is available on the Corporate Governance section of our website at www.capricor.com. The Nominating and Corporate Governance Committee acts on behalf of the Board to fulfill the Board’s responsibilities in overseeing all aspects of our nominating and corporate governance functions. A summary of the responsibilities of the Nominating and Corporate Governance Committee include:

- determining the minimum qualifications, qualities, skills and other expertise required for service on the Board;
- identifying, reviewing and evaluating candidates to serve on the Board, including prior to each annual meeting of stockholders at which directors are to be elected, recommending to the Board for nomination such candidates as the Nominating and Corporate Governance Committee has found to be well qualified and willing and available to serve; and after a vacancy arises on the Board or a director advises the Board of his or her intention to resign, recommending to a prospective member for appointment to the Board;
- developing and recommending to the Board for approval standards for determining whether a director has a relationship with the Company that would impair its independence;
- evaluating the performance of the members of the committees of the Board, reviewing the composition of such committees and recommending to the Board annually the chairmanship and membership of each committee;
- considering and recommending the removal of a director for cause, in accordance with the applicable provisions of the Company’s certificate of incorporation and bylaws;
- overseeing the Board in its annual review of its performance and making appropriate recommendations to improve performance;
- developing and recommending to the Board such policies and procedures with respect to the nomination of directors or other corporate governance matters as may be required to be disclosed pursuant to any rules promulgated by the SEC or otherwise considered to be desirable and appropriate;
- developing and reviewing corporate governance principles to be applicable to the Company and periodically reviewing Company policy statements to determine their adherence to the Company’s Code of Business Conduct and Ethics;
- overseeing and reviewing the processes and procedures used by the Company to provide information to the Board and its committees;
- developing and recommending to the Board plans for succession to the offices of the Company’s Chief Executive Officer and other executive officers and making recommendations to the Board with respect to the selection of appropriate individuals to succeed to these positions; and
- reviewing and reassessing its Charter at least annually and submitting any recommended changes to the Board for its consideration.

The Nominating and Corporate Governance Committee periodically, and at least annually, reviews, discusses and assesses the performance of the Board and committees of the Board. In fulfilling this responsibility, the Nominating and Corporate Governance Committee seeks input from senior management, the full Board and others. In assessing the Board, the Nominating and Corporate Governance Committee evaluates the overall composition of the Board, the Board’s contribution as a whole and its effectiveness in serving our best interests and the best interests of our stockholders.

The Nominating and Corporate Governance Committee believes that candidates for director should have certain minimum qualifications, including the ability to read and understand basic financial statements, being over 21 years of age and having the highest personal integrity and ethics. The Nominating and Corporate Governance Committee also considers such factors as possessing relevant expertise upon which to be able to offer advice and guidance to management, having sufficient time to devote to our affairs, demonstrated excellence in his or her field, having the ability to exercise sound business judgment and having the commitment to rigorously represent the long-term interests of our stockholders. However, the Nominating and Corporate Governance Committee retains the right to modify these qualifications from time to time. Candidates for director nominees are reviewed in the context of the current composition of the Board, our operating requirements and the long-term interests of our stockholders.

In conducting this assessment, the Nominating and Corporate Governance Committee considers such factors as it deems appropriate given the current needs of the Board and us, to maintain a balance of knowledge, experience and capability. While the Nominating and Corporate Governance Committee considers diversity as one of a number of factors in identifying nominees for director, it does not have a formal policy in this regard. The Nominating and Corporate Governance Committee views diversity broadly to include diversity of experience, skills and viewpoint, as well as traditional diversity concepts such as race or gender. In the case of new director candidates, if applicable, the Nominating and Corporate Governance Committee also determines whether the nominee is independent for Nasdaq purposes, which determination is based upon applicable Nasdaq listing standards, applicable SEC rules and regulations and the advice of counsel, if necessary. The Nominating and Corporate Governance Committee conducts any appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates after considering the function and needs of the Board. The Nominating and Corporate Governance Committee meets to discuss and consider the candidates' qualifications and then selects a nominee for recommendation to the Board by majority vote.

At least annually, the Nominating and Corporate Governance Committee will review, discuss and assess its own performance and composition and review and assess the adequacy of its charter, including its roles and responsibilities as outlined in its charter, and recommend any proposed changes to the Board for its consideration and approval.

The Nominating and Corporate Governance Committee will consider director candidates recommended by our stockholders. The Nominating and Corporate Governance Committee does not intend to alter the manner in which it evaluates candidates, including the minimum criteria set forth above, based on whether or not the candidate was recommended by a stockholder. Stockholders who wish to recommend individuals for consideration by the Nominating and Corporate Governance Committee to become nominees for election to the Board may do so by delivering a written recommendation to the Nominating and Corporate Governance Committee at 8840 Wilshire Blvd. 2nd Floor, Beverly Hills, California 90211, Attention: Corporate Secretary, at least 30 days prior to the date of the annual or special meeting of stockholders. PROPOSAL NO. 2:

RATIFICATION OF THE SELECTION OF THE INDEPENDENT REGISTERED ACCOUNTING FIRM

The Audit Committee of the Board has selected Rose, Snyder & Jacobs LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2015 and has further directed that management seek stockholder ratification of the selection of the independent registered public accounting firm at the Annual Meeting. Rose, Snyder & Jacobs LLP was appointed our registered public accounting firm on January 17, 2014, and served as our independent registered public accounting firm for the years ended December 31, 2013 and 2014. During each of the fiscal years ended December 31, 2013 and 2012, and through January 17, 2014, neither Capricor nor anyone on its behalf consulted with Rose, Snyder & Jacobs LLP regarding either: (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on Capricor's financial statements, and neither a written report was provided to Capricor nor oral advice was provided that Rose, Snyder & Jacobs LLP concluded was an important factor considered by Capricor in reaching a decision as to any accounting, auditing or financial reporting issue; or (ii) any matter that was the subject of a disagreement, as that term is defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions to Item 304 of Regulation S-K, or a reportable event, as that term is defined in Item 304(a)(1)(v) of Regulation S-K.

Representatives of Rose, Snyder & Jacobs LLP are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Neither our Bylaws nor other governing documents or law require stockholder ratification of the selection of Rose, Snyder & Jacobs LLP as our independent registered public accounting firm. However, the Audit Committee is submitting the selection of Rose, Snyder & Jacobs LLP to our stockholders for ratification as a matter of good corporate practice. If our stockholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee of the Board in its discretion may direct the appointment of different independent auditors at any time during the year if they determine that such a change would be in our best interests as well as the best interest of our stockholders.

The affirmative vote of a majority of the shares cast on Proposal 2 at the Annual Meeting will be required to ratify the selection of Rose, Snyder & Jacobs LLP. Abstentions and broker non-votes are counted towards a quorum, but are not counted for any purpose in determining whether this matter has been approved.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT
YOU VOTE "FOR" PROPOSAL NO. 2.**

Prior Independent Registered Public Accounting Firm

Prior to the appointment of Rose, Snyder & Jacobs LLP as our independent registered public accounting firm, Crowe Horwath LLP served as the independent registered public accounting firm to Nile Therapeutics, Inc. ("*Nile*"), from August 6, 2009 until it was dismissed as our independent registered public accounting firm by the Audit Committee on January 17, 2014. Crowe Horwath LLP audited our financial statements for the fiscal years ended December 31, 2008, 2009, 2010, 2011 and 2012. Representatives of Crowe Horwath LLP are not expected to be present at the Annual Meeting.

The audit reports of Crowe Horwath LLP on Nile's financial statements for the fiscal years ended December 31, 2012 and 2011 did not contain any adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles; except that the audit reports on Nile's financial statements for the years ended December 31, 2012 and 2011 contained an uncertainty about Nile's ability to continue as a going concern. During the fiscal years ended December 31, 2012 and 2011, and through January 17, 2014, there were no disagreements between Nile and Crowe Horwath LLP on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedures, which, if not resolved to the satisfaction of Crowe Horwath LLP, would have caused Crowe Horwath LLP to make reference to the matter in their report. None of the "reportable events" described in Item 304(a)(1)(v) of Regulation S-K of the SEC's rules and regulations have occurred during the fiscal years ended December 31, 2012 and 2011 or through January 17, 2014.

We provided Crowe Horwath LLP with a copy of the foregoing disclosures and requested that Crowe Horwath LLP provide a letter addressed to the SEC stating whether it agrees with the foregoing statements. Crowe Horwath LLP furnished such a letter, dated January 22, 2014, and a copy was filed as Exhibit 16.1 to our Current Report on Form 8-K/A that was filed with the SEC on January 24, 2014.

Principal Accountant Fees and Services

In connection with the audit of the 2014 financial statements, we entered into an engagement agreement with Rose, Snyder & Jacobs LLP which sets forth the terms by which Rose, Snyder & Jacobs LLP would perform audit services for us.

The following is a summary of the approximate fees billed to us by Rose, Snyder & Jacobs LLP and Crowe Horwath LLP, our independent registered public accounting firms, for professional services rendered for fiscal years ended December 31, 2014 and 2013 which includes Capricor, Inc. and Capricor Therapeutics, Inc.:

Service Category	Fiscal Year Ended	
	December 31,	
	2014	2013
Audit Fees	\$ 102,000	\$ 194,150
Audit-Related Fees	—	—
Tax Fees	12,500	14,720
All Other Fees	—	—
Total Fees	<u>\$ 114,500</u>	<u>\$ 208,870</u>

In the above table, in accordance with the SEC's definitions and rules, "audit fees" are fees for professional services for the audit and review of our annual financial statements, as well as the audit and review of our financial statements included in our registration statements filed under the Securities Act and issuance of consents and for services that are normally provided by the accountant in connection with statutory and regulatory filings or engagements except those not required by statute or regulation; "audit-related fees" are fees for assurance and related services that were reasonably related to the performance of the audit or review of our financial statements, including attestation services that are not required by statute or regulation, due diligence and services related to acquisitions; "tax fees" are fees for tax compliance, tax advice and tax planning; and "all other fees" are fees for any services not included in the first three categories.

Pre-Approval Policies and Procedures.

Pursuant to our Audit Committee Charter, before the independent registered public accounting firm is engaged by the Company or its subsidiaries to render audit or non-audit services, the Audit Committee pre-approves the engagement. Audit Committee pre-approval of audit and non-audit services is not required if the engagement for the services is entered into pursuant to pre-approval policies and procedures established by the Audit Committee regarding the Company's engagement of the independent registered public accounting firm, provided the policies and procedures are detailed as to the particular service, the Audit Committee is informed of each service provided and such policies and procedures do not include delegation of the Audit Committee's responsibilities under the Exchange Act to the Company's management. The Audit Committee may delegate to one or more designated members of the Audit Committee the authority to grant pre-approvals, provided such approvals are presented to the Audit Committee at a subsequent meeting. If the Audit Committee elects to establish pre-approval policies and procedures regarding non-audit services, the Audit Committee must be informed of each non-audit service provided by the independent registered public accounting firm. Audit Committee pre-approval of non-audit services (other than review and attest services) also is not required if such services fall within available exceptions established by the SEC. None of the services provided by our independent registered public accounting firm for fiscal 2014 or 2013 were obtained in reliance on the waiver of the pre-approval requirement afforded in SEC regulations.

Dr. Andrew Hamer's employment as our Vice President of Medical Affairs is pursuant to an employment agreement which commenced November 11, 2013. As of December 31, 2014, Dr. Hamer's current base salary was \$225,000 per year. Commencing as of March 1, 2015, Dr. Hamer's base salary was increased to \$240,750 per year. In addition, in the event that the Employee is terminated without cause during the term of the agreement, then the Company is obligated to pay him a severance payment equal to three (3) months of his base salary then in effect, provided that he executes a general release of all claims requested by the Company. In addition, Dr. Hamer has signed an at-will employment, confidential information, and invention assignment agreement, and an arbitration agreement. Additionally, in 2013, Dr. Hamer was granted a 10-year option to purchase 94,659 shares of our common stock at an exercise price of \$0.30 per share calculated after giving effect to the merger between Nile and Capricor, Inc. The shares of common stock subject to this option vest 25% per year over 4 years commencing December 1, 2014. Notwithstanding the vesting schedule, early exercise of options is permissible pursuant to his option agreement. The grant was awarded pursuant to the Company's 2012 Restated Equity Incentive Plan. Additionally, on March 3, 2015, Dr. Hamer was awarded a 10-year option to purchase 25,000 shares of our common stock at an exercise price of \$5.78 per share. 1/48th of the shares subject to this option grant will vest per month commencing on April 1, 2015. Notwithstanding the vesting schedule, early exercise of options is permissible pursuant to Dr. Hamer's option agreement. The grant was awarded pursuant to the Company's 2012 Restated Equity Incentive Plan.

- (1) Amounts reflect the grant date fair value of awards granted under the 2012 Restated Equity Incentive Plan, computed pursuant to Financial Accounting Standards Board's Accounting Standards Codification 718 "Compensation – Stock Compensation". - (2) Mr. Kazam was previously a member of the Nile Therapeutics, Inc. Board. Mr. Kazam received no direct compensation for his services as President and Chief Executive Officer, though, as a principal owner of TRC, he indirectly received a portion of the monthly cash fees paid to TRC under the services agreement. Risk Assessment of Compensation Programs

We do not believe that our compensation programs create risks that are reasonably likely to have a material adverse effect on our Company. We believe that the combination of different types of compensation as well as the overall amount of compensation, together with our internal controls and oversight by our Board, mitigates potential risks.

Certain Relationships and Related Party Transactions

Cedars-Sinai Medical Center

On July 27, 2010, Cedars-Sinai Medical Center (“**CSMC**”) acquired 263,158 shares of the Series A-2 Convertible Preferred Stock of Capricor, Inc., a private company and our wholly-owned subsidiary, and on April 20, 2012 acquired 375,000 shares of Capricor, Inc.’s Series A-3 Convertible Preferred Stock, which were exchanged for 1,324,086 shares of common stock of the Company after the effects of the merger between Nile Therapeutics, Inc. and Capricor, Inc. CSMC purchased an additional 851,546 shares of the Company’s common stock under a Share Purchase Agreement, dated January 9, 2015. CSMC beneficially owns more than 5% of our common stock.

On January 4, 2010, Capricor, Inc. entered into an Exclusive License Agreement with CSMC (the “**CSMC License Agreement**”), for certain intellectual property rights. In 2013, the CSMC License Agreement was amended twice resulting in, among other things, a reduction in the percentage of sublicense fees which would have been payable to CSMC. On January 9, 2014, Capricor, Inc. executed an Amended and Restated Exclusive License Agreement with CSMC (the “**Amended CSMC License Agreement**”) pursuant to which, among other things, certain definitions were added or amended, the timing of certain obligations was revised and other obligations of the parties were clarified. The Amended CSMC License Agreement provides for the grant of an exclusive, world-wide, royalty-bearing license by CSMC to Capricor, Inc. (with the right to sublicense) to conduct research using the patent rights and know-how and develop and commercialize products in the field using the patents rights and know-how. In addition, Capricor, Inc. has the exclusive right to negotiate for an exclusive license to any future rights arising from work conducted by or under the direction of Dr. Eduardo Marbán, a greater than 10% holder of our outstanding common stock, on behalf of CSMC. In the event the parties fail to agree upon the terms of an exclusive license, Capricor, Inc. will have a non-exclusive license to such future rights, subject to royalty obligations. Pursuant to the CSMC License Agreement, CSMC was paid a license fee and Capricor, Inc. was obligated to reimburse CSMC for certain fees and costs incurred in connection with the prosecution of certain patent rights. Additionally, Capricor, Inc. was required to meet certain spending and development milestones. Pursuant to the Amended CSMC License Agreement, Capricor, Inc. remains obligated to pay royalties on sales of royalty-bearing products as well as a percentage of the consideration received from any sublicenses or other grant of rights. In 2010, Capricor, Inc. discontinued its research under some of the patents.

On March 20, 2015, Capricor and CSMC entered into a First Amendment to the Amended CSMC License Agreement, pursuant to which the parties agreed to delete certain patent applications from the list of Scheduled Patents which Capricor determined not to be material to the portfolio.

On May 5, 2014, Capricor, Inc. entered into an Exclusive License Agreement with CSMC (the “**Exosomes License Agreement**”), for certain intellectual property rights related to exosomes technology. Pursuant to the Exosomes License Agreement, CSMC was paid a license fee and Capricor, Inc. was obligated to reimburse CSMC for certain fees and costs incurred in connection with the prosecution of certain patent rights. Additionally, Capricor, Inc. is required to meet certain non-monetary development milestones and is obligated to pay low single-digit royalties on sales of royalty-bearing products as well as a single-digit percentage of the consideration received from any sublicenses or other grant of rights.

On February 27, 2015, Capricor and CSMC entered into a First Amendment to Exclusive License Agreement, thereby amending the Exosomes License Agreement (the “**Exosomes License Amendment**”). Under the Exosomes License Amendment, (i) the description of patent rights in Schedule A has been replaced by a Revised Schedule A that includes four additional patent applications; (ii) Capricor is required to pay CSMC an upfront fee of \$20,000; (iii) Capricor is required to reimburse CSMC approximately \$34,000 for attorneys’ fees and filing fees that were incurred in connection with the additional patent rights; and (iv) Capricor is required to pay CSMC certain defined product development milestone payments upon reaching certain phases of its clinical studies and upon receiving product approval from the FDA. The product development milestones range from \$15,000 upon the dosing of the first patient in a Phase I clinical trial of a product to \$75,000 upon receipt of FDA approval of a product. The maximum aggregate amount of milestone payments payable under the Exosomes License Agreement, as amended, is \$190,000.

Capricor, Inc. currently leases two research laboratories from CSMC under the terms of a three-year lease which expires on June 1, 2017. The rent expense for the first six-month period was approximately \$15,461 per month. Commencing with the seventh month of the lease term, the rent expense increased to approximately \$19,350 per month. The amount of rent expense is subject to annual adjustments according to increases in the Consumer Price Index. Capricor, Inc. presently manufactures its cells in a facility which is owned by and located within CSMC and in which we follow GMP practices. Capricor, Inc.'s intention is to manufacture cells at this facility for its Phase II trials.

Dr. Eduardo Marbán, who holds more than 10% of the outstanding capital stock of the Company, is the Director of the Cedars-Sinai Heart Institute and the Co-Founder of Capricor, Inc. and Scientific Advisory Board Chairman of Capricor, Inc.

Dr. Frank Litvack (Executive Chairman)

Dr. Frank Litvack has been serving as Capricor, Inc.'s Executive Chairman since April 2012, and he was given a director package when he agreed to serve as the Executive Chairman of Capricor, Inc. Pursuant to that Board package, Dr. Litvack was paid a consulting fee of \$4,000 per month commencing upon his election to the Board of Directors of Capricor, Inc. Such compensation increased to \$10,000 per month upon Capricor, Inc.'s receipt of a California Institute for Regenerative Medicine award. Dr. Litvack was granted an option for a number of shares of Capricor, Inc. common stock equal to 10% of the outstanding shares of all Capricor, Inc. stock on a fully diluted basis (the "**Initial Option**"), calculated as if all options and warrants granted or contemplated to be granted to Capricor, Inc. employees, directors and other eligible participants had been granted and exercised as of the grant date of the Initial Option. 25% of the Initial Option vested on the first day of the month after his election to the Capricor, Inc. Board of Directors. The remainder was to vest at the rate of 1/36 per month over the following 36 month period. In connection with the merger between Nile Therapeutics, Inc. and Capricor, Inc., Dr. Litvack's options were converted into options for the Company's common stock. Dr. Litvack holds options to purchase (i) 1,545,435 shares at \$0.37 per share; (ii) 140,270 at \$0.37 per share; and (iii) 207,485 at \$0.30 per share, in each case calculated after giving effect to the merger between Nile and Capricor, Inc. Additionally, on March 3, 2015, Dr. Litvack was awarded a 10-year option to purchase 250,000 shares of our common stock at an exercise price of \$5.78 per share. 1/48th of the shares subject to this option grant will vest per month commencing on April 1, 2015. Notwithstanding the vesting schedule, early exercise of options is permissible pursuant to Dr. Litvack's option agreement. The grant was awarded pursuant to the Company's 2012 Restated Equity Incentive Plan.

Under Dr. Litvack's previous agreement with Capricor, Inc., upon the closing of each Qualified Financing (as defined in Dr. Litvack's previous agreement with Capricor, Inc.) until such time that Capricor, Inc. reached a threshold of \$10.0 million financing (including the sums previously received from sales of Series A-3 shares), Dr. Litvack was to be granted an additional option to purchase that number of shares of Capricor, Inc. common stock necessary to maintain Dr. Litvack's equity position at 10% of the outstanding shares of all Capricor, Inc. stock on a fully diluted basis (the "**Anti-Dilution Rights**"). On August 21, 2013, Capricor, Inc. entered into an agreement and release of all claims pursuant to which Dr. Litvack was granted an additional option to purchase 207,485 shares calculated after giving effect to the merger between Nile and Capricor, Inc. in exchange for forfeiture of these Anti-Dilution Rights. In addition, the terms of each of Dr. Litvack's stock option agreements were modified to extend the exercise period during which he has to exercise his options for Company common stock after he ceases to be a service provider to the Company from 90 days to one year.

On March 24, 2014, the Company entered into a consulting agreement with Dr. Litvack memorializing the \$10,000 per month compensation arrangement described above. The agreement is terminable upon 30 days' notice.

On May 1, 2012, Dr. Litvack entered into a sublease agreement with Capricor, Inc. pursuant to which he subleased from Capricor, Inc. an office and an administrative bay located within Capricor, Inc.'s leased premises in Beverly Hills, California for a monthly rate of \$2,500. On April 1, 2013, the foregoing sublease was terminated and Reprise Technologies LLC, a limited liability company which is wholly owned by Dr. Litvack, executed a new sublease for an office and administrative bay within Capricor, Inc.'s leased premises for a monthly rate of \$2,500. Such sublease is on a month-to-month basis and is terminable upon 30 days' written notice by either party.

Employment Agreements

Information regarding our executive employment agreements for certain officers is located under the caption, "Employment Agreements and Post-Termination Benefits" above.

Director and Officer Indemnification Agreements

In addition to the indemnification provisions contained in our certificate of incorporation and bylaws, we generally enter into separate indemnification agreements with our directors and executive officers. These agreements require us, among other things, to indemnify the director or executive officer against specified expenses and liabilities, such as attorneys' fees, judgments, fines and settlements, paid by the individual in connection with any action, suit or proceeding arising out of the individual's status or service as our director or executive officer, other than liabilities arising from willful misconduct or conduct that is knowingly fraudulent or deliberately dishonest, and to advance expenses incurred by the individual in connection with any proceeding against the individual with respect to which the individual may be entitled to indemnification by us. We also intend to enter into these agreements with our future directors and executive officers.

Policies and Procedures for Related Party Transactions

Although we have adopted a Code of Business Conduct and Ethics, we rely on the Board to review related party transactions on an ongoing basis to prevent conflicts of interest. The Board reviews a transaction in light of the affiliations of the director, officer or employee and the affiliations of such person's immediate family. Transactions are presented to the Board for approval before they are entered into or, if this is not possible, for ratification after the transaction has occurred. If the Board finds that a conflict of interest exists, then it will determine the appropriate remedial action, if any. The Board approves or ratifies a transaction if it determines that the transaction is consistent with the best interests of the Company.

Householding of Proxy Materials

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for Notices and other Annual Meeting materials with respect to two or more stockholders sharing the same address by delivering a single Notice, Proxy Statement, Annual Report and other Annual Meeting materials addressed to those stockholders. This process, which is commonly referred to as "householding," potentially means extra convenience for stockholders and cost savings for companies.

This year, a number of brokers with account holders who are our stockholders will be "householding" our proxy materials. A single Notice, Proxy Statement and Annual Report will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be "householding" communications to your address, "householding" will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in "householding" and would prefer to receive a separate Notice, Proxy Statement and Annual Report, please notify your broker or us. Direct your written request to Capricor's Corporate Secretary at 8840 Wilshire Blvd, 2nd Floor, Beverly Hills, California 90211 or contact Capricor's Corporate Secretary at (310) 358-3200. Stockholders who currently receive multiple copies of the Notices, Proxy Statements, Annual Reports and other Annual Meeting materials at their addresses and would like to request "householding" of their communications should contact their broker or our Corporate Secretary in the same manner described above. In addition, we will promptly deliver, upon written or oral request to the address or telephone number above, a separate copy of the Notice, Proxy Statement, Annual Report and other Annual Meeting materials to a stockholder at a shared address to which a single copy of the documents was delivered.
